

Niwot Youth Sports Competitive Team Satisfaction Survey Program

Introduction

It is the intent of Niwot Youth Sports (NYS) to survey participants and parents and/or legal guardians of participants to ascertain their satisfaction with the Niwot Youth Sports Competitive Program and solicit ideas and comments for future program development and improvements.

Use of Survey Results

Results from the Niwot Youth Sports Competitive Team Satisfaction Survey Program will be used as input to educate and train NYS league directors, NYS competitive coordinators and NYS approved coaches.

Results from the Niwot Youth Sports Competitive Team Satisfaction Survey Program will be compiled and analyzed by the competitive coordinator. Results, action plans and suggestions for improvements will be presented to the NYS Board of Directors for approval to improve, modify and amend the NYS Competitive Program.

Additionally, Niwot Youth Sports Competitive Team Satisfaction Survey Program results will be used as input to soliciting future NYS coaching, coordinator and director positions.

These results will not be shown in an “as is” condition to anyone other than the NYS competitive coordinator, who is responsible for compiling results. Parent surveys may be shared with the coaching staff if the parent indicates their individual survey may be shared.

Dear Niwot Youth Sports Competitive Program participant and parent,

It's important to Niwot Youth Sports (NYS) to hear from those who are associated with and participate in the Niwot Youth Sports Competitive Program. We are very interested in how we can continue to grow and enhance our competitive program.

In an effort to assist our coaches and help us determine the future direction of the Niwot Youth Sports Competitive Program, we ask you take a few minutes and provide us with your honest and candid feedback.

You have been provided with two surveys, one for the parent or legal guardian, and one for the player. Please complete your survey and return it to NYS at:

Niwot Youth Sports
PO Box 125
Niwot, CO 80544-0125

Please circle the response that most accurately represents your experience with the NYS Competitive Program, coach(s) and competitive league. This survey along with your comments and suggestions for improvement are important to our future program development and we take them very seriously.

Unless otherwise indicated, your individual comments and responses will be held in confidence and only viewed by the NYS competitive coordinator. Summaries of all surveys will be discussed with coaches and administrators in a manner which will not identify individual responses.

Please respond separately from your child. We ask you don't influence your child's survey as we wish to be able to understand both viewpoints. If you are so inclined, we ask you provide us with specific information that substantiates your survey feedback. Your comments will be held in strict confidence.

If you wish for someone from NYS to contact you regarding your response, please include your name and phone number on the survey form or contact NYS at 303-652-2433.

Thank you for your ongoing support and dedication to Niwot Youth Sports and helping us continue to build the best possible athletic program to serve our young athletes.

Sincerely,

Steve Jones
President, Niwot Youth Sports
