

Updated NYS COVID-19 Guidelines
Effective 1/1/2022

NYS COVID-19 GUIDELINES

- Everyone on NYS premises must follow Boulder County guidelines:
<https://www.bouldercounty.org/families/disease/covid-19/>
- NYS recommends wearing a mask while at NYS facilities when they are unable to maintain, or when not maintaining, social distance of at least 6 feet from any non-household members.
- Parents should review the list of symptoms on the CDC's website (link below) before bringing their child to any NYS facility/field complex for any game/practice:
<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>
- If any symptoms are present, then your child should not attend any activity (game or practice). If already at NYS facilities when symptoms develop, you should immediately leave the facilities and must email this information to your head coach within 24 hours. The Head Coach will notify the relevant sports Director.
